Termination Report

I am the Treasurer of the above named committee, 18-24. I certify that the committee does not intend to receive contributions or make expenditures; that the committee has no outstanding debts or obligations; and that the committee is not involved in an enforcement action (MUR), an audit, or litigation with the FEC.

After accounting for bank fees, the ending balance for the committee's checking account will be approximately \$147. The committee proposes to dispose of this amount by refunding it to Susan E. Grogan, donor, as that contribution was reported in the Mid-Year 2015 report filed with the Commission.

Please contact me if you have any questions about the termination of 18 - 24 and the proposed method of disposing of the remaining committee funds.

Sincerely,

Susan E. Grogan
Treasurer, 18 - 24
